

## TORNOS MULTIDECO 20/8b

**Kind : Cnc multispindle lathe**  
**Manufacturer : TORNOS**  
**Model : MULTIDECO 20/8b**  
**Year : 2006**  
**Serial : 7055**  
**Stock : P2380**

### TECHNICAL DETAILS

|                                                         |                  |
|---------------------------------------------------------|------------------|
| - number of spindles                                    | : 8              |
| - max. bar diameter                                     | : 20 [mm]        |
| - turning slides                                        | : 8              |
| - number of transversal slides                          | : 3              |
| * position                                              | : 1,8,9          |
| * stroke X in position 1                                | : 50 [mm]        |
| * stroke X in position 8,9                              | : 65 [mm]        |
| - number of crossed slides                              | : 6              |
| * position                                              | : 2,3,4,5,6,7    |
| * strokes X x Z1                                        | : 50 x 80 [mm]   |
| - longitudinal slides                                   | : 8              |
| * strokes Z2                                            | : 160 [mm]       |
| - counter spindle                                       |                  |
| * max. diameter in counter spindle                      | : 20 [mm]        |
| * max. part length in counter operation                 | : 75 [mm]        |
| * stroke                                                | : 160 [mm]       |
| * position                                              | : 8              |
| - 8 spindles with controlled stop spindle in position 5 |                  |
| * power                                                 | : 15 / 18,5 [kW] |
| * speed                                                 | : 3500 [Rpm]     |
| - hours under power                                     | : 51000          |

**Kind : Cnc multispindle lathe**

**EQUIPMENT**

- control CNC FANUC DNC DECO
- chip conveyor MAYfran
- additional tank with HP pump 30 and 80 bars
- counter spindle with brake
- presett. tool holder GOLTENBODT
- synchronized stamping attachment
- oil mist aspiration ELBARON
- bar feeder Tornos ROBOBAR MSF 522/8
